Description

A pretty single drawer side table circa 1770 of elegant design and proportions. It has a lovely thin top, square tapering legs and a single drawer with the original handle above a pretty apron. It's small, neat proportions mean it would go anywhere in the home. The pale patch on the top at the back is not a repair it is a nice bit of figuring in the wood where it is a paler colour. 28" high 28.5" wide 16" deep
