Description

Victorian Mahogany Gentleman's Wardrobe from a Gentleman's Outfitter Shop Display This is a very unusual piece, a Victorian Mahogany Press which has Gold and Shadowed Lettering painted both on the Mahogany and on the the mercury glass mirrored door. The wardrobe has been painted for " John Piggott, Gentlemans Outfitters" To State the obvious this piece was not painted at the time of manufacture This is a tall and impressive piece, the door has an arched mirrored door and there is a deep drawer at the bottom. Inside the press has 5 slides each one is painted with its intended contents. The wardrobe has seen plenty of use over the years, it is sound but there is some foxing to the looking glass and there general scuffing of the finish, but it is a very attractive piece The Wardrobe would an ideal storage piece in a quirky bedroom design and it would work equally well in a Gentlemans Outfitters Shop The Wardrobe is 84" high, 38" wide and 23" deep TRB34 We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days We only operate an online store and regrettably viewing in person is ...
