Description

Fabulous pair of large late 19th French marble and ormolu garnitures c.1880. Standing 21" tall, of classical urn form in beautifully figured sienna marble on square plinth bases. With extensive and superb quality gilded ormolu mounts cast as rams heads, laurel leaves and floral swags, again all forms borrowed from classical art. In remarkable condition, original throughout. With an engraved plaque to the base of one dated 1919 and recording them as having been presented in to one Mr Segures Cyrille for 25 years service to the company of A.J Simon & Fils.
