Description

A pretty Regency mahogany Lady's SEWING/READING & GAMES TABLE in fine condition. After a model by Morgan & Sanders, it features a leather-covered sliding top with adjustable easel; backgammon well; sliding inlaid chessboard; twin side drawers; hinged flaps and a silk-pleated sewing drawer below. It is supported on a "U" shaped under tier, and a short column with four sabre legs and original castors. ***Two early 19th century drawings for a Lady's Work Table upon which this example is based, are shown in Ackerman's "Regency Furniture & Interiors". Morgan & Sanders are credited in the text as the "inventors and manufacturers of this excellent article".
