Description

I have included the original box with this stunning napkin ring, the case has clearly done its job protecting the precious contents but has suffered with wear and the clasp not working. The beautiful napkin ring is made from solid sterling silver featuring two Cherub or Putti figures and a repoussé vacant shaped cartouche to the front. There is a good clear hallmark for London 1895 together with the makers initials W.R.C. Excellent condition, measuring 2" in diameter x 1 1/2" and the case measuring 3" x 3" x 2 1/2".
