Description

Adapted antique deep buttoned leather upholstered stool on a mahogany frame with six turned mahogany legs. This stool has been completely hand made in four stages. The frame & legs were built by my cabinet maker, then it was hand French polished, then it was upholstered in leather & finally it was hand coloured & antiqued by a professional leather specialist. I have had many of these made in the past of different proportions. This one was made to order for a customer, so I had an identical one made for the shop at the same time. Length - 56.5", 144 cm Depth - 20.5", 52 cm Height - 20", 50 cm
