Description

This antique mahogany 'Campaign' pedestal desk is in lovely condition & has loads of character. It has a hand dyed tooled leather writing surface, brass carrying handles on the sides & brass corner edges. The original handles on the drawers are very much military style as is the rest of this desk & it comes apart into three sections. The drawers are cross banded with different shades of mahogany & the back of this desk is polished too. I would say this desk dates to around the 1920-30's period. Width - 48", 112 cm Depth - 24", 61 cm Height - 29.3", 74 cm Knee-hole Height - 23.6", 60 cm
