Description

A fabulous French, large, silver plated candelabra made by Christofle. It has five branches and can be converted into a low candelabra if desired. Has beaded and engraved decoration. Circa 1900. Worldwide, first class, tracked and signed for delivery is included in the price. Measurements: Full height: 22" (approx 55.75cm) Low height: 14" (approx 35.5cm) Width (sconce to sconce): 13 1/2" (approx 14.25cm) Total weight: 3645g In good condition - any dark areas are shadows from the photography, there is no damage to the silver plate. Note of condition: One of the sconces is a replacement and does not have the beaded decoration to the edge like the others have. This, in our opinion, does not detract from the overall look of the piece, especially if the replacement is used as the centre sconce.
