Description

Wonderful and totally original 1930s Art Deco set of three glass wall lights. They are held in snugly by a bronze frame with a single bulb holder behind. These give a fabulous effect when lit against the wall. Really stylish set in perfect condition, there are no flaws to mention. The thick heavy frosted glass is almost 1" thick at its tip, really oozing quality. These lights look both impressive when switched on or off. Re-wired and ready to install.
