Description

This is an exceptional example of a gents watch made by the premier Swiss maker Buren. The dial is perfect having been fully restored, a new scratch resistant mineral glass has been fitted and the case professionally polished so it looks pristine. It has a 15 jewel movement is in fabulous condition. It looks as though the watch was rarely worn and is an extremely rare find indeed. The case measures 32mm in diameter excluding the winding crown. The watch comes with a high quality wooden presentation box to keep it in perfect condition. As you would expect from Buren the watch is fully marked on the dial, movement and the case has a full set of hallmarks. It has a new premium grade chestnut brown leather strap. The watch movement has just been fully serviced and is guaranteed to be a genuine Buren in all respects by Alan Williams FBHI. This watch has been fully and professionally overhauled, the process is highly detailed and meticulous. The watch is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers original parts. every part is then thoroughly cleaned in a...
