Description

A fine quality Victorian 2 door side, or pier cabinet. Of good construction in kingwood onto a solid oak carcass. The attractive kingwood veneers are inset in geometric parquetry work designs which are really eye-catching. The whole cabinet is decorated further with good quality, crisp, brass ormolu mounts. Each door panel is inset with an oval Sevres porcelain plaque, each depicting a classical scene. A third, smaller plaque is inset into the freeze of the cabinet. The cabinet doors open to access a lined and shelved interior. The doors are lockable with a key supplied. We have had this stunning cabinet sympathetically repolished by our craftsmen to a very high level. It has a wonderful colour and patina and is offered for sale in excellent overall condition.
