Description

Superb 1930s Art Deco Two Tier Occasional Table in Walnut. For your consideration is this out standing 1930s English two tiered occasional table in luxurious walnut veneers. This table ouzes quality, the top is heavily figured and is eight quarter veneered rather than four so that you get the full center of the tree, beautiful. The four legs are ebonized and make the whole table very sturdy. Not only does this table look great but it's very functional too. Great size for modern day use and two tiered for books, magazines etc should you so wish. Traditionally hand French polished and in excellent condition.
