Description

In tidy condition with only the odd knock this Victorian mirror is a good useable size. We are often asked for these mirrors that are not too tall. Here is one that is just 28ins to the bottom. A nice tidy 19th Century arch top overmantle mirror with what seems to be the original mirror, some foxing owing to its age but still most useable. Gilt has been refinished in the none too distant past so is good and tidy too. Sensible price as well. Body is 39 1/2 ins wide, overall it is 44"
