Description

An excellent George III period mahogany chest of drawers of generous proportions. Very well made in dense solid Cuban mahogany timber, now with a wonderful rich colour and patina. This chest has 4 long, graduated drawers all fitted with their original brass swan neck handles. It stands well on strong ogee bracket feet. This chest is substantially longer than a standard model, it could perhaps be used within the living room as a TV stand as well as in its traditional role within the bedroom. It is offered for sale in excellent condition, ready to go straight into the home. Dimensions: Width 141cms Depth 64cms Height 96cms
