Description

This pair of Swedish 1930's Art Deco armchairs also come with a matching 3 seater sofa, which is showing in this listing & also shown separately on the web site. This whole set came over from Sweden & has been re-upholstered in a lovely velour fabric. They are very comfortable, with scalloped backs & fully hand sprung seats. The satin birch legs are tapered & look like they may have been extended at some point. They are all in good shape. Right now I'm trying to sell all 3 pieces together even though I have priced them separately. Width - 29.5", 75 cm Depth - 30", 76 cm Height - 32.5", 83 cm Seat Height - 18", 46 cm
