Description

This 3 seater fully upholstered 1930's Swedish sofa is very stylish & very comfortable. It comes with a matching pair of armchairs that are also showing in this listing & separately on the web site. Right now I'm selling the suite all together even though they are priced separately on the site. This suite has been brought over from Sweden & been re-upholstered in a velour fabric. The tapered legs are satin birch & look like they may have been extended, but I'm not entirely sure because they are original. It's all fully sprung & has a scalloped back. Length - 72", 183 cm Depth - 33", 84 cm Height - 33", 84 cm Seat Height - 18", 46 cm
