Description

A fine quality inlaid mahogany and satinwood writing table by the renowned firm of Edwards and Roberts of London. Very well made in solid mahogany with satinwood banding. The top is fitted with a sumptuous and original leather writing surface, surrounded by deep satinwood banding. There is an arrangement of 3 drawers; a longer bow-fronted central one, flanked by a pair of deeper end drawers. The drawer fronts are decorated with profuse inlaid detailing of floral swags, garlands and harebells. This wonderful decoration is repeated to the sides of the table. It stands on elegant tapering legs which terminate in their original brass caps and castors. We have had this splendid table sympathetically repolished to a very high standard. It is now offered for sale in excellent condition, with a lovely colour and patina.
