Description

Pair of antique Swedish satin birch stools in good original condition & full of character. These stools are naturally distressed with age, so there will be small marks & indentations on the surface. Please enlarge all of the images to see the detail. They have just come over from Sweden, been polished & re-upholstered in a cream fabric. I would date them to around the 1850's period. Width - 23", 58 cm Depth - 16", 41 cm Height to Top of Arms - 26", 66 cm Seat Height - 17.5", 44 cm
