Description

This is an exceptional example of a gents classic wristwatch made by the world renowned premier Swiss maker Longines. The 12.68ZS 17 jewel watch movement is beautifully made, totally reliable and as you can see it's in fabulous like new condition, this movement is considered to be one of the finest movements made during the golden age of Swiss watchmaking and was built to last a lifetime. The case is large measuring 37.5mm indiameter excluding the winding crown and it has a read at a glance dial. The white dial has been restored so is in perfect condition. It has just been professionally serviced and a new glass has been fitted. The case has been professionally polished. It has obviously been extremely well cared for and looks as though it was rarely worn. As you would expect the watch is fully marked on the dial, movement and case. It comes complete with a new black leather strap and a presentation box to keep your watch in perfect condition. Longines are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The serial number dates this watch to 1957 and would be a perfect gift for any m...
