

SA456147

Antique 1890s Swiss silver pocket watch

Price

Sold**Item Reference: SA456147****Date of manufacture: 1890**

Description

Antique 1890s Swiss silver pocket watch. The watch has a nice quality 3/4 plate pin set stem-winding movement which is working well. The movement is numbered 10934. The movement is protected by an inner cover. The watch measures 50.3 mm diameter excluding the stem and the loop. The case is silver and has Birmingham hallmarks for 1894 and the makers mark J.J.S. The case has light surface marking from use and some wear to the engine turned detail on the back but overall is in nice condition for a 1890s piece. The watch glass has faint surface marking from use but overall it is in nice condition. The white dial has a very faint hairline crack between the sub seconds dial and 11 o'clock although not over noticeable but otherwise it is in nice condition. The watch has gold hands and a blued steel sub second hand. The watch will come in a new presentation box. Price includes worldwide postage.
