Description

Very stylish & useful pair of original Art Deco stools, dating from around the 1930's period, with cream leather upholstered seats. These stools have the added bonus of full storage inside. They are in excellent condition, polished all the way around & the seats have just been re-upholstered with double piping. The wood, I believe is either sycamore or satin birch (I'm leaning towards sycamore) & the feet are walnut. Width - 18.3", 46 cm Depth - 14.3", 36 cm Height - 19", 48 cm
