Description

Good pair of early 18th century Queen Anne style pewter candlesticks. I don't think these are 18th century so have aired on the cautious side and said they are 19th century in date. Nice shape large round bases with knobbly turned stems and ring decorated tops. There is a touch mark to the bases as photographed. Whatever the age these are a very nice looking pair of candlesticks in very good condition. Slightly over-cleaned perhaps. SIZE; 5 1/2" diameter bases. 8 1/2" tall CIRCA; 19th Century
