Description

This is a fine Regency tea table with classical brass inlays. The fold over top has excellent flame mahogany graining both inside and out and there is a cross banding around the edge, as the pictures show, which is highlighted by the twin string inlay. The table has a fine barley twist pedestal which sits on well detailed splay legs that terminate in the original paw detailed brass caps. There are replacement castors under these that are all operational and again in solid brass. This is a table that will look superb anywhere and it is a useful one too. size shown is when open, it is 18ins deep with top shut.
