## Description

This superb quality wardrobe is very stylish and is in very good and original condition with all original silver plated handles and locks. The wardrobe also has the makers label on the back. 1930mm high, 1830mm wide and 710mm deep. Circa 1930. Maurice Adams saw himself as the natural successor to the great furniture makers of the eighteenth century and had ambitious plans for 20th-century British interior design, including a proposed 'Maurice Adams house', in which the architecture and interior furnishings would be designed entirely by Adams throughout, in a streamlined, Georgian style. All Adams's furniture was made by hand in Gloucester and displayed in Adams's showroom in Portman Square, London.
