Date of manufacture: 1750

Dimensions

Height = 91 cm (35.8")

Width = 136 cm (53.5")

Depth = 70 cm (27.6")

Description

A very fine example of a French Louis XV Commode in walnut. Wonderful colour and patina, with original bronze handles and escutcheons, with an unusual shaped apron and feet more typical of the north of France, with three large drawers all running well and all in excellent condition especially for its age. Having an inverted break front shape and fielded panels to the side. One of the best examples I've come across.
