Description

With dished top in highly figured burl walnut standing on contrasting straight grain walnut legs. As with all Maurice Adams pieces this table is of the highest quality and is in very good condition. 540mm high and 380mm diameter. Circa 1930. Maurice Adams saw himself as the natural successor to the great furniture makers of the eighteenth century and had ambitious plans for 20th-century British interior design, including a proposed 'Maurice Adams house', in which the architecture and interior furnishings would be designed entirely by Adams throughout, in a streamlined, Georgian style. All Adams's furniture was made by hand in Gloucester and displayed in Adams's showroom in Portman Square, London.
