## Description

Pair of small antique Swedish leather armchairs in lovely condition & with loads of character. They are very stylish, with curved button backs, newly upholstered cushions & strong looking legs. The leather has been professionally polished & enhanced, giving them a great colour with plenty of natural fading & distressing. I would date these chairs to around the 1910-20's period. Width - 29", 74 cm Depth - 26", 66 cm Height - 33", 84 cm Seat Height - 16", 41 cm
