Description

A quality Georgian Scottish Longcase clock. A swan-neck hood pediment surmounted by 3 original giltwood finials. Brass capped front and rear quarter hood column capitals. A well proportioned mahogany case with figured trunk door flanked by brass capped side columns. A well detailed brass and silvered dial with fine central engraving. An 8-day duration mechanism striking the hours on a bell. John Barr of Port Glasgow is recorded in Whytes' 'Scottish Clockmakers' book as working in 1783. From Kembery Antique Clocks Ltd you can expect a genuine longcase clock that has been serviced and sold with 12 months guarantee. We personally deliver the clock to your home in the UK and part Europe. Worldwide delivery with professional packing available, please contact us for a quote.
