Description

A most elegantly designed solid silver sauce boat. Wonderfully shaped with a lovely scalloped edge and no engraving or ambossing to the silver body. The equally beautifully shaped handle has a delicate pattern which is mirrored on the three feet, on which the sauce boat sits. The underneath is stamped by the fine quality maker: Mappin & Webb. On the side of the boat are clear hallmarks: Birmingham 1924. Condition: This sauce boat is in great antique condition. There are no visible dents or dings to the highly polished silver. The handle does have a very slight lean to the left (which I mention for accuracy). Hallmarks: Birmingham 1924 made by Mappin & Webb. Measurements: Height: 9.27 cm approx. Width: 14.5 cm approx. Depth: 8.95 cm approx. Weight: 95 grams approx.
