Description

Queen Anne Style Inlaid Burr Walnut, Games Table, Chess and Backgammon This is a charming piece, the table has an unusual scalloped shape, it stands on slender cabriole legs and has a drawer with a side beneath for holding game boards The top is made in superbly matched Burr Walnut veneers, the table top folds out offering a choice of games boards. On one half there is a chequer board in walnut, rosewood and maple, on the other half there is a backgammon board with a cribbage board in the centre, these too are inlaid in rosewood walnut and maple. The table is a very handsome piece, it is in all round good condition, there is a small dark mark on the cribbage board but I am sure it has been there for many years The Table is 30" tall, 21.5" wide and 15" deep (30" when opened out) TRB136 We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days We only operate an online store and regrettably viewing in person is not an option.
