Price

**Sold****Item Reference: SA460548****Date of manufacture: 19th Century**

### Dimensions

Height = 12 cm (4.7")

Width = 41 cm (16.1")

Depth = 12 cm (4.7")

## Description

Fine early 19th century carved rootwood Fijian Ula Throwing club. Bought recently from a private collector of tribal artifacts in Fife Scotland. This club is in good condition for age and is a gorgeous colour with great patination. The handle section has typical scratch carved decoration. Just a really nice piece of tribal art. Museum quality I would say. SIZE 16" long CIRCA; 1830
