Description

Delightful little example of an early Welsh dresser, probably originating from the Snowdonia area of North Wales c.1760. Just 56" wide with the original two shelf rack over a cupboard base with two drawers over two doors. Wavy canopy on the rack, raised and fielded drawer front and door panels. Great colour and patina. Excellent condition, some earlier repairs and restorations, most obvious to the left hand drawer front and cornice. Original oak drawer linings and back boards. Cleaned and waxed in our workshops. Dimensions: width 56", depth 22", height 73½".
