Description

Good quality oak corner cupboard with a single shelved interior. The door and sides are made of solid oak with a stained pine back. There are two metal hanging brackets and a set of fixing holes in the back of the cupboard. It is in good condition with a wonderful rich patina. It has a working lock and key and the hinges are in good order. There is a small area of minor damage on the back cornice (see photo) but it isn't detrimental and the whole piece is strong and sturdy. It has been cleaned and given a light coat of wax to retain and enrich its natural patina. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. UK Delivery £40.
