Description

Maker: Franz Mosslinger in Wien Date: 1855 Height: 40" Width: 10.5" Depth: 4.5" A fine quality one month duration Biedermeier timepiece Viennese Regulator, circa 1855. The beautifully figured rosewood case inlaid throughout with boxwood stringing with carving to the base. The one piece enameled dial with Roman numerals with gilded piecrust bezel. The fine quality hook on one month duration movement with deadbeat escapement and maintaining power. Polished brass cased weight, with ornate spoked pulleys, polished brass bob pendulum (front and back) with wooden rod. Extremely finely fretted blued steel hands of "beetle and poker" design. All of our clocks have been sympathetically restored and have been expertly vetted for originality and good working order. All clocks purchased from us are guaranteed for two years. Delivery and installation of our Viennese wall clocks is carried out free of charge within the U.K. For overseas customers a fully insured door to door service is provided by our regular couriers, please contact us for a specific quotation. All of our clocks are securely packed and comprehensive installation and maintenance instructions are included. Fo...
