Description

A gorgeous silver mounted cologne bottle from early in the reign of George V. This beautiful example has an intricately cut glass body, of rounded form and a star cut base. The silver mount covers half the entire body and the detailed foliate decoration is repeated on the screw lid. Inside the lid is a cork to provide the seal. A wonderful and superior example as decorative as it is practical. P&P contribution :- £8.00 UK. £16.00 Worldwide. Condition :- Excellent, with no holes or splits to the silver and no chips or cracks to the glass. There are two grooves to the lid and some age related blemishes to the silver rim around the waist, commensurate with age and use. Hallmarks :- Clear and readable. matching sets to lid and body. Date :- London 1913. Maker :- John Worral and Son Ltd. Diameter :- 7.5 cms. Height :- 9.5 cms.
