Description

A gents 1932 silver Art Deco wrist watch. The watch has a hand-winding movement which is working nicely. The watch itself measures 25mm wide excluding the winding crown and 30mm high excluding the lugs (38mm including the lugs). The case is silver and there are hallmarks on the back of the watch for Edinburgh 1932 with a case maker's mark for the British Watch Case Company. The sides of the case are patterned and there is a small set of hallmarks next to the winding crown. The convex lens is in good condition. The dial is in its original untouched finish and has blued steel hands, a square subsidiary seconds dial and an outer minute track. A new leather strap has been fitted. The watch will be sent in a new presentation box. Free worldwide shipping
