Description

Stylish antique French coffee table, with an original marble top encircled by a pierced brass gallery. Under that are two pull out slides with tooled leather inserts & two drawers. It has tapered reeded legs with brass capped feet. The wood looks to me like walnut & has plenty of character. The brass work too is naturally aged. I would date this table to around the 1910 -20's period. Diameter - 24", 61 cm Height - 20.5", 52 cm
