Description

Pair of Swedish vintage Art Deco armchairs with satin birch arms & feet, dating from the 1930's period. They are in excellent condition & have been fully re-upholstered in a taupe coloured fabric. These armchairs have very generous proportions & are very comfortable with plenty of support on the curved fluted backs. The seats are individually coil sprung, so will last a lifetime, not like the new rubbish that's being sold in the stores for more money, which only last 5 years. Width - 26.8", 68 cm Depth - 30.7", 78 cm Height - 31.5", 80 cm Seat Height - 15.5", 39 cm Please note - I have many more similar & different armchairs that have come over from Sweden, waiting to be upholstered - Please enquire & I can send you images of what's available.
