Description

Good quality antique bureau with a well patterned burr walnut front & with figured walnut sides. It has fine carving just above the top drawer & on the tops of the solid walnut legs, which have claw & ball feet. The three shaped drawers are graduated in depth & have the original brass handles, plus fine dovetails. The flap opens up & is supported by two automatic loafers that come out as the flap is lowered. The inside is well fitted out with pigeon holes, shelves & three small drawers. It also has a tooled leather writing surface. This bureau is in excellent condition & has a lovely colour. I would date it to around the 1910-20's period. Width - 32.3", 82 cm Depth - 17.3", 44 cm Height - 39.8", 101 cm Writing Surface Height - 29", 74 cm
