Description

This large antique burr walnut bookcase has a lovely warm colour & good figuring on the wood. The top section has astral-glazed doors & inside are four adjustable shelves. The bottom section has burr walnut cupboards with one shelf inside. This cabinet is burr walnut all over, front & sides. It's in excellent condition, with plenty of character & sits on short Queen Anne feet. I would date this piece to around the 1910-20's period. This bookcase is of high quality & it comes apart into two sections for easy transportation. Width - 38.2", 97 cm Depth - 14.2", 36 cm Height - 65", 165 cm
