Description

Attractive small antique French Gilt Wood armchair in good original condition, having just been re-upholstered in a cream fabric with double piping. The gilding has a nice original look, with plenty of fine carved detail within the wood. Please check out all the images to see the original gilding that's full of character. I would date this chair to around the 1860-80's. Actually it could be older than that. Width - 25.6", 65 cm Depth - 19.3", 49 cm Height - 25.6", 65 cm Seat Height - 15", 38 cm
