Description

A fine French 'Boule' mantel clock of good size and proportions by Howell and James of Regent street and retailer to the Queen (Queen Victoria) The twelve section cartouche dial showing Roman numerals and with the makers / retailers name on the 9 and 3 in very small black lettering , polished blued steel Hands and a Cast brass decorative bezel surround . The case is typical of Boulle work ,after Andre-Charles Boulle and has a good level of detail with the sides also being fully decorated , standing on 'C' scroll bracket feet a glazed aperture to view the sun-burst pendulum with a finial to finish . Made in Paris around 1880-90 Stamped and numbered. It is worth remembering that all our clocks have had a full dismantle / overhaul unlike many others for sale online and carry a full 12 month Guarantee in writing , which adds to the value and longevity of this fine clock .
