Description

A gents 1950s oversized Movado wrist watch. The watch has a good quality 15-jewel hand-winding movement, calibre 470, which is working nicely. The movement is fully signed with the Movado Factories name. The watch is a very good size at 36.5mm diameter excluding the winding crown and the lugs. The case is gold plated with a stainless steel case back and it is in lovely condition. The lens is in very nice condition too. The signed dial has a little marking but overall is very acceptable and the subtle two tone finish gives it a very handsome appearance. The watch has a later brown leather strap.
