Description

A superb quality frame by the quality silversmith's Stokes and Ireland. Made from English Sterling Silver the frame is struck with the highly sought-after Chester assay office and the year 1900, making this a true late Victorian example. Victorian in era, this very stylish frame would look equally as good in a 21st century contemporary interior with its classic clean lines. The back is made from solid English Oak with the original folding easel stand. Excellent condition measuring 5 1/4" in diameter with a glazed aperture measuring 4" in diameter.
