Description

This FINE QUALITY SATIN BIRCH CENTRE TABLE or LOO TABLE dates from circa 1880. The TABLE has a tilt-action and when the top is raised there is a purpose-made wooden stay to securely hold it upright. The SATIN BIRCH, which has ebonised and gilded decoration, is a rich and warm honey colour and looks sumptuous. There is an old Depository Label on the top of the column from a firm in Weybridge. The TABLE is in excellent condition.
