This is a wonderful example of an Art Deco ladies cocktail watch retailed by Benson and the movement was made by the Swiss premier maker Longines. It has a platinum case and diamonds to the top and bottom of the case. It comes complete with a presentation box. A new glass has been fitted and the case professionally cleaned and polished so it is absolutely pristine. It comes with a brand new quality slim black leather strap. As you would expect from Longines the watch is fully marked on the dial and movement and the case is also marked platinum which has been fully tested. The watch diamond case measures 32mm long and 10mm wide not including the crown. The watch has just been fully overhauled, restored and serviced. This watch has been fully and professionally overhauled, the process is highly detailed and meticulous. The watch is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers original parts. every part is then thoroughly cleaned in a 3 stage ultrasonic cleaning process. The movement is then fully assembled using manufacturer approved oils and lubricants...
