Description

An antique 1903 Waltham Traveler pocket watch and chain. The watch is open faced and it has a stem-winding movement which is working nicely. The movement is fully signed and the serial number of 12633673 dates it back to 1903. The movement is protected by an inner hinged cover. The watch itself measures 50.6mm diameter excluding the winding stem and the loop. The gold plated case was made in England, it is the Star model made by the Dennison Watch Case Company as Aaron Dennison had close associations with Waltham. The case is in nice condition with only light surface marking from use. The glass lens is in nice condition. The signed white enamel dial has one short hairline crack underneath the sub seconds dial but otherwise is in nice condition. The watch has its original gold hands and blued steel sub second hand. The watch come on a 1920s gold plated Albert chain which measures 32 cm long including the T bar and clasp. The watch will be sent in a new presentation box. Price includes worldwide postage.
