Description

A stunning early 19th Century pine curved wing back settle with shaped arms and a solid curved seat. It is excellent quality and very original with a beautiful patina. A lovely piece of honest country furniture. It is in excellent condition for its age and has remained untouched but is very strong and sturdy. There are lots of signs of age and wear and some shrinkage splits but nothing detrimental. No signs of worm. The whole piece has been cleaned and given a light wax and is ready for the home. The best description comes from the photos so please look at them all carefully and if you have any questions please ask
