Depth = 43 cm (16.9")

Description

Beautiful mahogany desk chair dating from the early 20th Century. It is a good comfortable chair and very well made with a newly upholstered seat. It serves as a lovely desk chair but could also be a nice library or hall chair. It has a lovely shape with curved splats and cabriole legs terminating in delicate pad feet. It is in excellent condition for its age. It has developed a lovely aged patina and is structurally very sound. It is not without a few small marks here and there but nothing untoward for a chair of this age. The upholstery is new and a good quality pretty fabric. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Nationwide delivery available. Please get in touch for an accurate quote.
