Description

A superb quality bronze sculpture of a sleeping dog by Jacques Bordeaux Montrieux who was a contemporary of the Swiss sculptor, Edouard- Marcel Sandoz. Mounted on a stepped marble base, and in good condition, the dog is realistically sculpted in a natural sleeping pose. The texture and patination are excellent. The piece is signed by the sculptor on the collar of the sleeping dog. There is a historic repair to the marble base, this is not easily seen and does not detract from the beauty of the piece. A super example of the work of this renowned artist. c.1930
